Reading books is the best way of self-development and learning many interesting things. Today, paper books are not as popular as a couple of decades ago due to the emergence of electronic books (ebooks).

Ebook is a book in a digital format. It can be both a book itself and the device for reading it. Electronic books are available in txt, DjVu, ePub, PDF formats, etc.

One of the advantages of ebooks is that you can download E.encyclopedia By DK Publishing pdf along with hundreds of other books into your device and adjust the font size, the brightness of the backlight, and other parameters to make the reading comfortable.
